

Modeling and simulations:
Tomasz Michalski

I am a 3d Artist, Designer. I love experiencing and creating a good design, both interior and product design. Apart from creating, I really enjoy finding and listening to new cool sounds. I find relief in doing sports.

Optimization and shaders
Rafał Cichoń

Interior design is the reason of my interest in graphics. I like to reflect material objects and imaginary spaces on paper or computer. I am impressed by the Nature and I find joy while trying to imitate it. I am interested in modernist architecture, astronomy, and analog electronic music.
